From the President

Hello again and I hope that everyone is ready for continued fall activity. We still remain to gain new members and have increased our numbers too and the month is still very young. I continue to believe that great Corvette people attract other great Corvette people.

November starts off with a bang with the MSCC Veterans Day Cruise to Camp Shelby in Hattiesburg. We will be once again using the Engagement Training Simulators and visiting the Armed Forces Museum. If you have not participated in the small arms training in the EST you have really missed something that few civilians get to experience. The Armed Forces Museum at Camp Shelby is one of the best in the country. Our Fall Poker Run will be combined with this event to benefit the upgrade of our web site.

Don't look for December to slow down as we have three

events on our schedule that include the Madison Christmas Parade, a Murder Mystery Dinner and our MSCC Christmas Party. Info on these events will be sent out during this month as we receive more information. Our December meeting will be combined with the MSCC Christmas Party since we already have two events in that week. Don't forget we will be electing club officers during this event.

Even though our tag sales are picking up and we are right on the half way point, we need to turn up the volume and get them sold so we can have our Corvette tags by next fall. Getting out there and marketing/selling the Corvette tag needs to be our highest priority with the Mississippi Corvette Classic behind. With a little talking it up, I am confident we can reach our goal of 300. Encourage folks to buy them for their cars other than Corvettes for at least one year. We have one member who

called Mary and told her that he had sold 12 tags and would be bringing her the money and applications this month.

Be sure and keep sending your ideas to April as we are constantly striving to get things on the schedule that our members want to do. She is working to get our web site up to date with the meetings and events for 2012 and doing a great job of looking and researching out potential events for our club.

Save the Wave and keep on driving and smiling.

2013 Corvette raises \$700,000 for Drive to End Hunger at Barrett-Jackson

SCOTTSDALE, Ariz. –

The first 2013 Corvette 427 Convertible offered to the public was sold at the Barrett-Jackson Scottsdale collector car auction for \$600,000 with an additional \$100,000 donation. All \$700,000 of the proceeds go to the AARP Foundation's Drive to End Hunger initiative.

Chevrolet and Hendrick Motorsports, including team owner Rick Hendrick and four-time NASCAR Sprint Cup champion Jeff Gordon, teamed up for the auction of the car.

"This Corvette is such a unique car since it is the first of the 60th anniversary," Hendrick said. "I knew there would be

interest and we would get a lot of good media exposure, but I have to admit, I was nervous. I was expecting \$300k but my knees got weak when the bids went up to \$500k.

"But, when people know this is for a good cause, they really step up, and I'm so pleased the total reached \$700K. We are very blessed today for this to go to such a good cause as Drive to End Hunger."

Proceeds from the sale of the collector's edition of the Corvette 427 Convertible go to Drive to End Hunger, Gordon's primary partner in the 2012 NASCAR Sprint Cup Series. The food relief

program generates support and awareness about the nearly 9 million Americans over age 50 who face the threat of hunger daily.

A business blonde is driving down the interstate in her new Corvette. She has a degree, a good job and considers herself fairly smart.

As she's driving down the road she pops the radio on. Just her luck the announcer is a real jerk and is making tons of blonde jokes, i.e. What do you do if a blonde throws a grenade at you (pick it up, pull the pin, throw it back), How do you kill a blonde (put a scratch and sniff at the bottom of a pool), etc.

She's getting extremely annoyed at the treatment of blondes as she sees a blonde rowing a boat in the cornfield to her right. Just then she stops her car, rolls down the window, and starts yelling:

"Hey, it's dumb blondes like you that give us these bad names! If I could swim I'd come out there and slap you silly!"

The first person who sends an email to April at april@mcgheecruise.com and tells her where the hidden Corvette emblem (emblem below) is in this newsletter will win a FREE RAFFLE TICKET at the next MS Corvette Club meeting! Please email her only if you plan on attending the monthly meeting. The winner will be announced at Cock of the Walk in September and given their raffle ticket. There is only one winner per month so good luck!
